Dear Helen,

I can confirm that ADASE is now affiliated with the Centre for Anxiety Related Disorders (CARD), Southern Adelaide Health Service. We recognise the quality of the programs you provide for anxiety disorders and depression as being evidence based and complying with international standards in delivery of guided self-help. This agreement remains valid for two years until July 31<sup>st</sup> 2012 at which time we will review the services you provide. We will offer support in terms of materials and advise to assist you to provide your programs.

We would like to congratulate your team of volunteers for the excellent programs and advocacy you have provided to the people of South east of South Australia and South Western Victoria over many years.

Best Wishes

Regards
